

# CLCA-SFBA Student Sponsorship Application

The California Landscape Contractor's Association, San Francisco Bay Area Chapter is sponsoring students as part of their Partner's for Success program. Companies in the CLCA may purchase sponsorships, which give landscape industry students the opportunity to gain continuing experience, leadership, and education through the local chapters program. The sponsorship includes the following:

- CLCA Student Membership Fee
- Three CLCA-SFBA educational seminars
- One admission to Membership Night in April 2008
- One admission to our Annual Achievement Awards Banquet in June 2008
- One admission to our Officer Installation Dinner in November 2008

All landscape industry students are encouraged to apply. Awards are limited to the number of sponsorships sold through our Partners for Success program. ***The only requirement to qualify for a sponsorship is that you must apply for CLCA Student Membership (application included) and you must be currently enrolled in at least 6 units pertaining to the landscape industry (ROP programs are accepted).
