

**AN OPEN INVITATION TO ALL  
CLCA MEMBERS**

On behalf of the San Francisco Bay Area Chapter Women's Auxiliary, I would like to extend a friendly invitation to become a member. Established in the early 1950's, the CLCA Women's Auxiliary was formed as an assistance and support group to CLCA.

We lend a helping hand when needed throughout the year, whether in the form of organizing functions, providing refreshments during specific activities or just being there when the Association needs us. We raise funds to support various colleges in the Bay Area, as well as to support the Landscape Educational Advancement Foundation (LEAF). All representatives of CLCA members (regular, associate or affiliate) are eligible to be members of the Women's Auxiliary.

We can accomplish great things with your participation on whatever level of interest you may have and wish to share. Please won't you join us? If you have any questions or wish to speak with someone about the Auxiliary, please feel free to call me any time. I hope you will consider becoming a member of our group.

Lesley Peters  
SFBA Chapter Women's Auxiliary President
